DETAILED ACTION

Response to Amendment

1. The reply filed on 10/12/2006 is not fully responsive to the prior Office Action because of the following matter(s):

The applicant's amendment of the claims has changed the scope of the claims/invention. Originally claims 1-28 were directed to "a method of performing a height mapping of an object with respect to a reference surface." The application was examined and the claims were searched based on the original scope. The amended claims are directed to "a method of manufacturing a product." The same non-compliance applies to newly introduced claim, claim 45 also. Applicant's amendment is considered as not fully responsive to the prior Office Action for the above reasons. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
